

Adjoa Wadee

SENIOR FRONTEND ENGINEER

PROFILE

I have six years of experience developing web applications, solving complex issues and delivering scalable solutions.

EXPERIENCE

Frontend Consultant - Passionate People

February 2022 - Present

- Currently developing the events platform and websites for JSWorld, VueJS Amsterdam and DevWorld conferences using Nuxt3/VueJs, GraphQL & Stapi to enable scheduling of speakers, event creation and live streaming capabilities.

Giraffe360 (via Passionate People)

February 2022 - August 2022

- Developed and managed an internal tool using React, Electron & AWS S3 for graphic designers to create virtual tours for realtors, while mentoring a junior developer and collaborating across departments to meet architectural requirements.

Application Developer - Rabobank

August 2019 - January 2022

- I contributed to developing Rabobank's onboarding feature for small and medium enterprises, while migrating from AngularJS to Angular 7+. Stack included Java (SpringBoot), NodeJS, and Rabobank's frontend platform (Senses), and also handled DevOps tasks.

Application Developer Analyst (KPN iTV) via Accenture

March 2017 - July 2019

- I worked in the interactive TV department, where I developed interfaces for 2 million or more set-top boxes for KPN customers and subsidiaries (Telfort, XS4All) across the Netherlands, gathered requirements & presented solutions. Stack includes Angular 7, NodeJS, and Javascript.

Web Developer (Intern & Jr.) - GameHouse BV

Sept. 2015 - January 2017

- Developed an AB test tracking tool using Angular 2, AngularMaterial, Firebase, & NodeJS for managing optimized tests across multiple websites. Additionally, I customized and managed HTML5 games for Facebook's gaming platform and assisted web development teams with tasks.

Teaching Assistant (Part Time) - Fontys University

Sept. 2014 - June 2016

- Assisted first year students with their programming assignments.

EDUCATION

Bachelor's Degree in ICT & Software Engineering - Fontys University - January 2017

Irish Leaving Certificate Established - Fingal Community College (Dublin, IRL) - June 2013

Basic Design & Construction(co curricular) - Copenhagen Technical School (Denmark) - 2011

LANGUAGES

English (Native tongue) **Dutch** (Proficient) **Akan-Twi**(Conversational)
